Mrs Nicola Biggins, Mrs Veronica Elliott & Mrs Lesley Lovatt

30th March 2020

Dear Parent/Carer

I am sure that balancing your key worker role alongside being a parent has been difficult since the start of the current crisis. As a school, I am really pleased that we have been able to help by providing a daily provision of both academic and physical activity so that you can still access work. In order to maintain our support, we have decided to run a leisure/crafts provision at Hadley Learning Community every day over the Easter holiday including Good Friday and Easter Monday.

The provision will be managed by Interserve but there will be staff from all of the Trust schools so there's a familiar face to welcome and work with your child throughout the day. The sessions will **start at 9am and finish at 3.15pm** If you have any difficulty with transport, there will be collections The Charlton School at 8.40am using the school minibus (This may be in two runs due to social spacing). All students will be dropped off at Charlton at 3.15pm and it will then be your responsibility to collect as usual. School meals will not be provided. Please send your child with their lunch.

For every one's safety, please only use the daily provision if you cannot secure any alternative support within the home environment so that we can limit potential exposure. We want to run each day with as few staff as possible so we would appreciate you completing the below table, indicating what days you need our support so that we can calculate our staff numbers.

Please return to school staff by Thursday 2nd April.

Yours sincerely

Paul Roberts Principal HLC
